A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still okay for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still okay for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

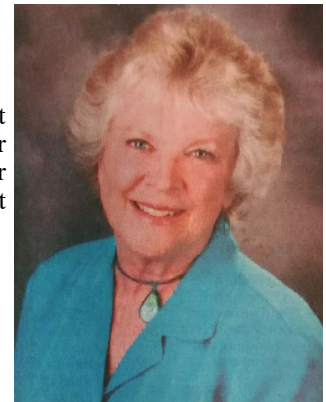

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

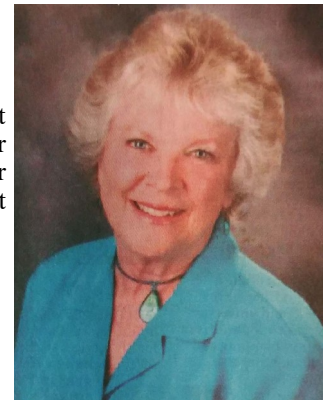

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still okay for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still okay for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still okay for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still okay for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still okay for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still okay for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

From Jennifer Fisher, President

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still okay for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still okay for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still okay for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still okay for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

From Jennifer Fisher, President

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still okay for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still okay for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."

Gallery Requirements

*Statement to be added in the "Rules of Exhibiting" section of the Directory:

The Rules are to provide consistency in the display of art.

The presentation of a piece of art should be as fine as the art itself. PAC desires to present all forms of art in the best possible way for the creator of the art as well as for the patrons who will view the art.

Additions to Framing Specifications:

*Work to be hung at Pocatello Art Center must be framed.

*Gallery-wrapped Canvases must have a depth of at least 1 1/2 inches thick and painted on all sides.

*Photographs must be framed, printed on Gallery-wrapped Canvases that have a depth of at least 1 1/2 inches, or Metal Prints.

*Maximum size of art for exhibit: 40"x40" including the frame.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

This was presented and discussed at the October meeting. Wayne was not there. I'm fairly sure that in the discussion I made it clear that this was the whole Art Center to put a stop to this whole mess! It was voted on in the November meeting and approved. I'm quite sure that Marilyn Smith and Barbara Orr agreed that there was no exclusion for the classroom. I'm not sure why Pat does. I'm quite sure that Wayne has really pressed here. She doesn't want to offend anyone or drive them away. I don't think we should reward people for saying if we don't let them do what they want, they'll take their toys and go away.

Sorry, I thought this was done and taken care of! Groan!!!

I'll bring copies again for people to look at.

GALLERY NEWS FOR JANUARY

by Pat Geiger

First Friday Art Walk will be January 5, 2018

The art center will be closed from December 24, 2017 through January 1, 2018. Bea will have the Gallery open on Saturday, December 23rd from 10am till 1pm for all of you last minute shoppers (tell your neighbors and friends too)! We will be open on Tuesday, January 2, 2018 and members can start bringing in new work. They need to remove all Holiday Show and Sale items by Wednesday January 3, 2018 at the latest. We will hang the new show on Thursday, January 4th at 12:30 pm after the board meeting. We generally hang on Tuesday afternoon before First Friday but we realize it will be difficult to remove art and bring new art in so this is our plan for January.

Our January show will be 'All Seasons'. Please have all work in by Wednesday January 3. All work should be original art work and our themes are just suggestions so bring in any work you deem worthy. Our photographers are always welcome to bring their work in for any open show to members.

We will also feature one of our own, Richard Albright, a renowned photography and author. He will be at first Friday and will be available to talk about his work and will sign his books. We are looking forward to sharing this very talented man and his many works so please join us! Richard is also one of our valued teachers and he now has a 'pay as you go' class. Check your calendar for more information.

Our 'Holiday Show and Sale' has been great and we hate to see it come down but all good things must end. We had some success on sales for photos, cards, jewelry, ornaments, books, dolls and a few paintings. We suggest, that if you sold work, you may want to consider a donation to the art gallery. A suggested amount of twenty percent would help the art center in so many ways. We had a very nice add that ran on Channel 6 and we hope you had the opportunity to see it. Slowly but surely the public is starting to know that we are here and that we offer quality work at very reasonable prices. Thank you everyone for a job well done!

February will be our 'Spirit of Idaho' show and the back room will house our photographers, 'World Wide Photo Walk'. Check in your closets and under your beds for that forgotten work of art or get busy and paint a new one now! We are so excited for this new year and all the wonderful things it will offer! March will house the High School Show which is always inspirational. April is the Portneuf Valley Photographic Society annual judged show and May is the Judged show for all members. Start painting or snapping those photos now. The gallery will be a hopping place so please join us.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

A new year: a blank sheet of paper. For me, my paper of choice would be 300 pound cold press watercolor paper. The pen, the brush, the camera is in your hands.....a fresh chance to create a beautiful story, painting, photograph, or objet d'art. I resolve to remember you don't get better if you don't paint and not every painting has to be perfect. May your 365 page book of 2018 be a good one! Always remember you are unique in the world. Just like everybody else.

Thanks to Barbara Orr, Chair of the Outreach Group for her time, talent, and expertise that has been given to the Pocatello Art Center in the past year. Below is a progress report from her group:

Painting created by Penney Wolf, teacher at Pocatello Art Center

Hi All,

Happy New Year from Barbara Orr, Chairman of the Outreach Committee.

This committee includes the very capable chairmen of the Publicity, High School Art Show, Sagebrush, History, Membership, and Correspondence. The group has successfully in many ways, impacted the community for art this past year. We also had a temporary Feasibility Committee searching for practical means for expansion. This committee has been changed to an ongoing committee to pursue the future expansion of the art center. Joyce Rendace has done an amazing job researching possibilities for the future. Thank you Joyce! Cont.on next page)

Our thanks for the support of
Individual and Corporate Donors who
help us keep the Art Center Gallery and
School a vital part of our community.

The history committee has been busy compiling information and stories about the history of the art center for a book we will be publishing in the future. Barbara Santos is writing the book, and Sally Gasser is chairing the committee, we also have a former board member, Mary Lee Lein, of the Bannock County Historical Society on this committee, along with several others. This group has been having a lot of fun researching the old scrapbooks, getting stories from members and finding times and dates of board actions. Our group is the result of years of positive actions from many individuals to create what we are today, a valuable art resource to the community.

The outreach committee focuses on different committees throughout the year to aid with publicity and communication to the community. For this past Holiday show, we placed 61 TV spots on channel 6 through Christmas to help with the promotion and sales of the show. The community is gradually becoming more and more aware of us, but we still have many challenges.

This spring we will be changing the way we collect dues for membership. Because everyone pays during a different month, the tracking of membership and dues is very cumbersome. We will be changing the process so everyone pays in April, the beginning of our fiscal year, and we will do a membership drive at the same time. If you have paid your dues earlier, the new amount will be prorated by the month for the year, so you won't be overcharged. This change is necessary for bookkeeping to make sure dues are current, and that people are given timely notices. Once a year dues are easy to overlook and this change will be a benefit to both the membership for timely notice and to bookkeeping.

Together we can make this the best year ever for the art center; we are doing more partnering with downtown Pocatello, with keeping the art center open on Saturdays, thanks to Bea Cowger. We are doing more partnering with ISU and with the Pocatello Arts Council. As a member of the art center, I encourage you to contact your neighbors, friends and family members, especially young people who are interested in art or photography and encourage them to join us. Also remind any art collectors that you may know that our gallery changes every month and art is always available for sale at the art center.

The best thing about art is that it generally, like music, does no harm, and uplifts the souls of others, sometimes for centuries. Remember always, that no matter how great art may be, it is the creative expression of a flawed human being, and like music, is a wonderful way to communicate our shared human experience.

Photo Club News

by Wayne Millyard

Now, there's a real problem that I thought we had taken care of, but has reared its ugly head! It was the Photo Club Christmas party tonight. Wayne talked to Pat today about hanging photos from Bryce Canyon in the classroom in February. She told him it was her understanding that anything that hung in the gallery must be framed. But to hang in the classroom it could be mounted on a foam board.

At the party, Wayne said he was unwilling to put the expense into framing photos for that one show. So, if they have to be framed, he won't show his photos. He said he knows there are others who feel the same. Ultimately, he said it will have to be decided at the Board meeting tomorrow.

I e-mailed Pat and asked for her take. She did tell him that. She said she thought the classroom was still key for a foam board. She doesn't want to drive a section of people or a group away.

I looked at the Guidelines and I'm including the part about framing for you to read. When I wrote it, I didn't say anything specific about the classroom because I thought this was clear and would stand from here forward. It says "Pocatello Art center meaning the whole place, not excluding the classroom."
