Our thanks for the support of  
Individual and Corporate Donors who  
help us keep the Art Center Gallery and  
School a vital part of our community.

### **From Jennifer Fisher, President**

The response to the Center's Annual Membership campaign has been outstanding. Thank you for supporting our efforts to grow programs, classes and workshops. Dues help us offer activities at the Art Center that spark creativity and innovation, and promote art throughout the community. Carol Meyers recently shared a letter from the Painter Keys that contained a couple of paragraphs that I think aptly sum the experience members find at the Pocatello Art Center:

- Art is loving and connecting with others
- A painter or photographer has the chance to make intimate beings of strangers
- Art is relationships
- The development of painting skills and people skills are lifelong and complementary
- Content and passion connect, as do the universal poetry of color and the jewel of specificity
- Quality counts
- Sometimes one bad apple can spoil the good vibes for artists and art lovers, but it is temporary
- An indomitable community of compulsive creators and their tail-wagging dream keepers, determined to do it better, will morph, re-invent, adapt, and find one another again
- “Be true to your work, your word, and your friend.” Henry David Thoreau

Also, I hope you had an opportunity to see the April photography show at the Art Center as the technical and compositional elements of the pieces presented so many pleasant ranges of shapes and colors to savor and think about later. The variety of tones, the light and shadow from subtle to strong, and the visual textures communicated beautiful stories written by the photographers inviting viewers to wander into their pictures. **Congratulations to Eric Johnson for his “Best of Show” award. His botanical photograph entitled, “Serenity” is calm, peaceful and magic! Reminds me of a cool misty morning in May!**

## **PVPS PHOTOGRAPHY**

## **DUES ARE NOW DUE...PLEASE SEND IN YOUR DUES ALONG WITH THE INFORMATION IN YOUR LETTER...THANKS**

The Annual Membership drive is now beginning. Membership dues help the Pocatello Art Center grow its programs, offer art classes and workshops and connect artists from all walks of life. We work to enrich the lives of adults, children, and community members through art experiences and art education. To simplify our work, the Board has decided to eliminate the current staggered dues structure as it has been difficult to administer. All membership dues will be payable March 31<sup>st</sup> of each year. Implementing the new structure will take some work, but we believe it will make bookkeeping much easier for our all-volunteer organization. Dues for an individual are \$35 per year or around \$3 per month. If you normally renew in February you would owe \$6 for February and March and then \$35 for the rest of the year. You will receive a letter explaining the new system in the near future. Thank you for your continued support and patience as we implement our new system.

### **MEMBER INFORMATION: from Peggy Anderson**

Dorothy Brzek had a heart attack. She underwent surgery and is recovering nicely at home, Send cards and notes to her at home.

Don't forget to let Peggy Anderson know of information about our members.

## GALLERY NEWS

By: Pat Geiger, Chair

**First Friday Art Walk will be May 4, 2018**

**All Judged Photography Show work should be removed by April 27<sup>th</sup> at the very latest and the Members work for our judged show has to be in by that date as well. Absolutely no exceptions. We will hang the new show on Tuesday, May 1<sup>st</sup> at 1230pm but will need the weekend to sort all of the work.**

Now for the show that we all look forward to.....The Annual Members Judged Show! We have the availability of four levels and many categories in each level. We will have a Best of Show. In each level and category, we will offer a first place, second place, third place and honorable mentions. We hope to have monetary awards for at least some of the places. You can enter up to three works of art and we will be accepting art the week of April 23d through April 27<sup>th</sup>. We will be sorting all the work into its proper level and category and will hang the show on Tuesday May 1<sup>st</sup> at 12:30pm. This is such a great opportunity for your gallery committee to give back to you. It is also a learning and growing opportunity for our artists. Our judges are amazing! We have Gail Dial, a retired professor from Idaho State University. We have Gloria Miller Allred, a renowned watercolor painter from Idaho Falls and we have Ron Lewis, a very talented artist/illustrator. This should be a remarkable show with some of the very best work of our membership. Bring it on!

The gallery in April has housed the colorful Portneuf Valley Photographic Society Annual Judged Show! The work is amazing and surprises us every year. The Best of Show takes you to a tranquil garden and other winners are equally mesmerizing. The work is so artistic, and the photos are definitely taken with an artist's eye. You can look around the gallery every day and notice something new and intriguing. This show teaches us how versatile and beautiful photography can be. We really hope you have had an opportunity to take this show in.

The upcoming show for June will be Mountains, Streams, Lakes and Oceans. This is definitely good subject matter to our photographers and painters alike! Look in the garage or under beds or better yet, paint a new painting. We live in an area that lends itself well to this subject matter. Go out and take a walk, take a picture or paint! This will be a beautiful show.

We have some special shows on the horizon. Legacy is attempting to gather the work of Bob Rush and we are anticipating a Legacy Show in June. We will have a featured artist in July, Frank Hartlieb, with some new paintings. Ted Wright will fill the center cabinet in May with his wood burned designs. Frank Hartlieb and Brent Lowman will have pottery for June and July. There is so much to see so don't miss out.

As always, we love our jewelry makers and our porcelain artists. They keep the cabinets ever changing and exciting and we can't thank them enough for their talent and generosity of time.

## OUTREACH

by Barbara Orr

Kurt Camerud has produced a booklet and a seal for the Art Center for use at the desk. The booklet will be updated with the new payment information over the next couple of months. This booklet will make it easier for desk volunteers. Thanks Kurt.

The Nominating Committee, has produced a slate of new officers and board of directors for the Pocatello Art Center for the next year 2018-2019. We have 5 new board members and we are looking forward to the next year. The Board has approved this slate and will be voted on by membership in June at the annual meeting (dtba).

The History Committee is moving along on producing a book of the history of the Pocatello Art Center over the past 50 years. The group has had a lot of fun remembering past friendships and events.

All of the pay-as-you-go classes are now being advertised on Craig's List. Regular press releases on our First Friday events and our classes, and other activities, are sent out every week. They appear in the Journal in Old Town News, the Chamber Newsletter, and other area news outlets. Events are also put on the KPVI calendar.

Barbara is resigning as the PR Chair. She will be greatly missed. Now we are looking for a new PR/Outreach person ASAP. Please contact Carolyn Purnell at [capur007@msn.com](mailto:capur007@msn.com)

## Idaho Watercolor Society

by Neila Loebis

The Southeast Region has been busy. Bob Beason donated an evening to us discussing some ways to draw in preparation for watercolor paintings. He also spent some time critiquing a painting which was valuable to us all.

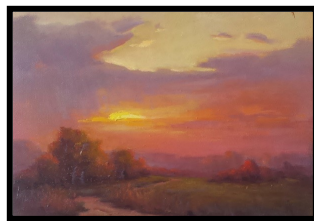

Next month in May, we plan on taking an idea from Linda Carlson on getting together to paint the cards requested for the Western Federation gathering here in 2020. We are asked to provide 25 personal watercolor cards representing our area for a "goodie bag" for participants from the Northwest. Members should plan ahead with images that represent our area. Sites such as the railroad, ISU, the Snake River area, potato fields; anything that says Southeast Idaho. Please bring photos of our region to use and to share. Snacks will be provided as well as the note cards. **We will meet at 6:30 pm on May 7th to give us more time to produce our mini paintings.** The group seemed to look forward to the activity.

I am pleased to see we have new members, Peggy Anderson and Dawn Bowman and Becky Petersen.

Look forward to seeing many of you at our next meeting.  
We will have good snacks! See you there.

## Danene Taysom Fine Art

**Are you ready to become a more confident artist? Design and Paint Beautifully!**

I invite you to learn how implementing correct design principles can help with your continued growth as an artist. This April I will share my approach to the vital foundational principles in design used in any medium, oil, watercolor, acrylic, or pastel. I will focus on how correct space division, law of unequal measures and negative space plus more can help you have a stronger painting. Through demonstrations, presentation and individual assistance I will explain the process of creating dynamic paintings by using these strong design principles.

***Learn how to see and create beautiful color harmonies!***

### Kudos to Bertie North—Thanks so Much!

Candy, owner of The Frame Shop, exhilarated a watercolor painting of Barbara Ruffridge in the Pocatello Art Center Permanent Collection by reframing it. She used new acid free materials, a UV glass, and a new frame coordinating with the painting. This watercolor still life painting of red roses and vase, with pear and plums is now **lively and stunning!** Please visit it on our Permanent Collection wall in the classroom gallery. Please visit Candy at The Frame Shop to express your thanks to her for her vision to create a window for this painting to sing! She has accomplished a very visual example of love, by providing proper materials to boost this painting way up in the ranks of favorites! Kudos Candy!

Bertie North and Candy collaborated on a second transformation in the PAC Permanent Collection, this time on an Edith Litner watercolor painting of a sweet old home. To those of you who didn't know Edith Litner, she is also one of the founders of the PAC. By changing the colors of matting and frame to better coordinate with this painting, they have launched this painting higher. The result is **breathtaking!** It is very exciting to see the effect of thoughtful framing upon paintings! Kudos to Bertie and Candy for carrying out this vision to present our Permanent Collection with care it deserves. We should show we are proud of the pieces we own. We should also know the power that good materials have to boost the visual impact of our paintings.
